## Being Healthy

All children should have a plastic water bottle to keep hydrated during the day

Children who have a packed lunch, must bring their lunch to school in a clearly named lunchbox.

We encourage healthy eating and therefore do not allow fizzy drinks or confectionery.

Children should have a balanced meal to include:

- a savoury snack, such as a sandwich or pitta bread,
- a piece of fruit or yogurt
- a healthy drink such as fruit juice, milk or water.

Healthy School Lunch Ideas

Please do not include nuts, nut products, glass bottles or glass containers.

# DORMERS WELLS INFANT AND JUNIOR SCHOOL

## Water bottles

Children are encouraged to drink water throughout the day. They should have a **sipper bottle** that is **labelled with their name and class.**

A sipper bottle will not leak if it tips over and this is important as bottles are on the children's desks and this will prevent damage to books and their work.

## Attendance and Medication

**97% Club**

Help your child achieve attendance of 97% or above and enjoy a movie treat on the last day of half term!

All children in Years 1-6 are included!

EXCELLENT ATTENDANCE

Every child can start afresh after each half term, giving them a chance to improve their attendance and enjoy the treat!

If your child has any medication that is needed in school eg asthma pumps, epi pens etc, please ensure it is up to date and present in school.

Attendance is vital!

Ideally children should be here every day. If you know your child is going to be away, you should inform the office before the day of absence.

If your child is ill, please ensure you ring the office on the morning they are absent other wise this will be an '**unauthorised absence**'. We monitor attendance very closely alongside Ealing borough. Frequent absences will lead to further intervention and this may include meeting with the head/deputy head or the Ealing School Warden.

# DORMERS WELLS INFANT AND JUNIOR SCHOOL

## Fruit snacks

Children are encouraged to bring a fruit snack for playtime if they wish. We are a 'Healthy Eating' school and therefore no cereal bars, crisps or chocolates are allowed. We ask that you **do not send your child with grapes** as it poses a choking risk.

Fruit we suggest and recommend:

apples

oranges

Bananas

pears

# **DORMERS WELLS** **INFANT AND JUNIOR SCHOOL**

## Holiday request.

We work within the government guidelines and with Ealing borough to monitor attendance.

We are not permitted to grant holiday leave unless in extreme circumstances and this must be agreed by the head or deputy head teacher. Term time holidays will not be granted.

There are 13 weeks of holiday built into the school year and this is time for family holidays. Missing school for a period of time may result in your child being taken off roll-losing their place!
